STAT

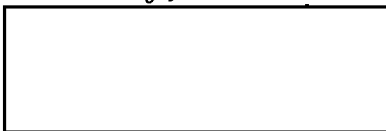

I appreciate your talking to various members of the IC staff. I received very favorable comments from everyone who met you, and I am sorry that my schedule prevented us from talking at greater length.

As you know, we are interviewing now for positions we expect to have available on the staff over the next several months. We will undoubtedly know more about the kind of jobs that need filling as the staffing situation develops. If it is acceptable to you, I would like to keep your resume on file and get in touch with you regarding any slot appropriate for your background and experience.

Sincerely,

STAT
